DATA MAKES THE WORLD GO ROUND: UNLOCKING 2024'S ENERGY TRANSITION TRENDS

This engaging and dynamic keynote data presentation explores the latest renewable and energy transition trends across Europe over the course of the last 12-months. We will be highlighting key sector updates from solar, wind, green hydrogen, battery storage, to country-specific developments ranging from financing structures and regulations.

EUROPEAN HEADS: LENDER'S OUTLOOK ON 2025

Leading financiers take the stage to discuss the evolving landscape of their energy transition projects during 2024. They will share their experiences, highlighting the most promising opportunities, and key challenges throughout the sectors as well as what to anticipate for 2025. Questions they will be consider include:

- Types of emerging financing structures
- How can clients strengthen their business case, particularly with emerging asset classes?
- Navigating regulatory hurdles and permitting by sector and country
- Which sector are they looking forward to in 2025?

NETWORKING BREAK

CRYSTAL BALL: COUNTRY Q&A'S

Looking to break into certain European markets? Attendees will be presented with a short Inspiratia insights overview, followed by expert Q&A's, with leaders sharing their experiences in the given country. Make the most of the insider know-how and seize actionable information to better navigate Europe's evolving energy transition landscape. Countries to be covered include:

UK MARKET: UK & IRELAND  

EU DEVELOPED: GERMANY, ITALY & SPAIN   

NEW HORIZONS: BALTICS   

POWER PLAY: SECTOR Q&A'S

Get ready for a fast-paced, interactive experience. These series of roundtables will dive into the most tending renewables and energy transition technologies. Each Q&A is capped at 20 minutes, allowing delegates to rotate and engage in multiple conversations across sectors. We will kick off with a quick fire of Inspiratia insights to set the stage by sharing more specific data to fuel discussions. Sectors to be covered include:

TRADITIONAL RENEWABLES

NEW TECHNOLOGIES

NEXT GENERATION

CLOSING REMARKS

WHY ATTEND

Insider access

As a valued member of the Inspiratia community, you're already a key player. Join senior-level roundtables and tap into the latest data and insights across the energy transition to stay ahead of your competitors

Unrivalled networking

This summit is built for connections. From roundtables, to high-level panel discussions, to timely data insights, create your own experience by meeting Europe's top playmakers, exchange ideas, and build relationships. Leverage our Leaders' Concierge networking to have the opportunity to connect with the most notable actors within the energy transition.

Crystal ball forecast

Curious how others in the sector are preparing for 2025? Unlock the insider scoop that will help shape the future of the energy landscape!

Seize the opportunity to be part of the conversations where institutions meet insights, and strategies become action.
