# Agenda

**08:00 - 09:00**

**Registration and networking**

---

**Inspiratia welcome address**

**09:00 - 09:05**

---

**Panellists**

- **Fluence:** Marek Kubik - *Managing Director, UK, Ireland & Israel*
- **Habitat Energy:** Ralph Johnson - *Head of UK Business Development*
- **LIMEJUMP:** Genna Boyle - *Head of Commercial*
- **Santander:** James Foley - *Structured Finance, European Renewables*

*Executive Director | Moderator*

**Panel 1 – Milestones in the UK market**

- With its lofty ambitions, how will the UK effectively manage the accelerated energy transition with storage?
- What does the next chapter of UK's leadership with batteries in Europe look like?
- What limitations are there beyond the grid?
- Should a merit order be on the table for future auctions?

**09:05 – 09:50**

---

**09:50 - 10:20**

- **Tyler Hill Partner:** Ravinder Shan - *CTO*
- **Inspiratia:** Omolola Coker - *Head of Intelligence and Research*

**Q&A**

---

**Panel 2 – Overcoming challenges in Europe**

- Will continental Europe be able to achieve the 190GW of storage required by 2030?
- Does the answer lie in rethinking fee structures, data-sharing and standardisation?

- What threats do the looming geopolitics pose on meeting the demand for strage on the continent sustainably.

**10:20 -11:05**

**Panellists**

- **Fluence:** Julian Jansen - *Growth & Market Development Director (EMEA)*
- **FRV:** David Menéndez - *Managing Director, UK, Global Leader of FRV's Batteries Excellence Center*
- **Constantine Group:** Mike Ryan - *Commercial Director*
- **Ager Capital Partners:** Mehul Bhimjiyani - *Director*
- **Ikiga: Roberto Castiglioni** Co-Founder and CEO
- **CMS:** Louise Dalton - *Partner | Moderator*

---

**11:05 - 11:35**

**Break**

---

**Presentation – Origami**

- **Origami:** Peter Bance - *CEO and Founder*

**11:35 - 11.50**

---

**Panel 3 – Blueprint for colocation**

- Across Europe, greater flexibility towards colocation policy, planning and grid connections have opened up. Where are the immediate opportunities?
- How do developers factor the predictability of consumption patterns of served areas into the business case for co-location?
- Is co-location the missing link to pushing the value of subsidy-free assets?
- Would long-duration storage make a difference to the business case of colocation?

**11:50 - 12:05**

**Panellists**

- **Natural Power:** Hannah Staab - *Head of Advisory - Europe*
- **Quinbrook Infrastructure Partners -** Rosalind Smith-Maxwell - *Senior Vice President*
- **Santander:** William Evans - *Structured Finance European Renewables* **-** *Executive Director*
- **MODO Energy:** Ed Porter - *Chief Commercial Officer*

- **Inspiratia:** Zachary Skidmore - *Senior Reporter / **Moderator***

---

- **Pexapark:** Xuejiao (Jo) Han - *Lead Storage Quant*

**Presentation – Pexapark**

**12:05 - 12:50**

---

**12:50 - 14:00**

**Lunch**

---

**14:00 - 14:30**

**Keynote:** Chris Matson, Partner, LCP Delta

---

**Panel 4 - New paths to travel: Reality of real-time trading and entry of long-duration storage**

- How does battery storage restore liquidity in the market and limit risk?
- How do battery players carve a space in this fast-evolving market that now operates on a near-real-time or spot trading market model?
- Lithium-battery technologies can carry a variation of ancillary services, however they are still limited in their use-cases. Can longer-duration technologies expand the ancillary services and use-cases of battery technologies?

**14:30 – 15:15**

**Panellists**

- **FRV:** Felipe Hernandez - *Chief Innovation Officer*
- **Greensolver:** Fernanda Samman **-** *Energy Storage Engineer*
- **CELLCUBE:** Juan-Carlos Mejia Pinto - *Sector Director Business Development*
- **RINA:** Francesco Mazzali - *Senior Consultant & Storage Coordinator*
- **Pexapark:** Xuejiao (Jo) Han - *Lead Storage Quant*
- **Inspiratia:** Oliver Carr - *Senior Hydrogen Analyst | Moderator*

---

**15:15 – 16:00**

**Coffee break**

---

**Presentation - Inspiratia: What are the latest market trends?**

- **Inspiratia:** Capucine Guillet - *Energy and Infrastructure Analyst*

**16:00 – 16:15**

---

**Panel 5 - Financing**

- How are investors adapting to the evolving value chain and changing technologies?
- Will pushing the duration capacity assets and their share of the capacity market be the breaking point for investors to finally see it as a mainstream and bankable asset?
- How are investors adapting to the evolving value chain and changing technologies?
- Are investors looking at long-term duration storage?
- Is debt/lender attitude towards battery assets changing fast enough?

**16:15 – 17:00**

**Panellists**

- **Edmond De Rothschild Asset Management (UK):** Gauri Kasbekar-Shah - *Head of Energy Infrastructure and Structured Finance*
- **Ager Capital Partners:** Mehul Bhimjiyani - *Director*
- **LCP Delta -** Sam Hollister - *Head of Markets and Engagement*
- **Santander**: Ioana Bozan - *Director, Specialised & Project Finance*
- **Inspiratia:** Robert Leeming - *Senior Renewables Lead | Moderator*

---

**inspiratia closing remarks**

**17:00 – 17:05**

---

**Networking drinks sponsored by Santander**
