

Subsidy Free Renewables 2022

08:00 – 09:00

Registration and networking

Welcome address

Loredana Alexe – Head of Events, *inspiratia*

09:00 - 09:05

09:05 - 09:20

Presentation

Chendwa Chintu – Energy & Infrastructure analyst, *inspiratia*

09:20 – 10:05

Panel 1 – Era of market volatility

- Complexity of meeting targets for renewable energy additions
- Balancing margin expectations against inflated supply chain costs and soaring wholesale power prices
- What role do subsidy-free renewables have in mitigating the energy crisis?
- Is their space for subsidy-free renewables via hydrogen electrolyser offtake?
- How should clean technologies be prioritised in order to de-risk renewable investments and manage volatility?

Mark Futyan – CEO, *Anesco*

Rosalind Smith-Maxwell – Senior Vice President, *Quinbrook*

Alexandre Soroko – Head of PPA, *GreenSolver*

Sarah Merrick - Founder and CEO, *Ripple Energy*

Moderator: *Omolola Coker* – Head of Research, *inspiratia*

Presentation

Niels Jakeman - Head of Energy Origination Europe | Structured Finance | **NORD/LB**

10:05– 10:20

10.20 - 11:00

Coffee & Networking

11:00 - 11:15

Presentation

[Alexander Soroko](#) - Head of PPA, **Greensolver**

11:15 - 12:00

Panel 2 – UK's next steps

- What does the latest Contracts for difference round say about the UK's subsidy free market?
- What strategies are being deployed and working?
- Is the increasing evidence of colocation optimising subsidy-free portfolio value?
- Is there enough cPPA demand to support subsidy-free projects?
- Can the UK's subsidy-free future be built off the back of new-build solar and post-subsidy onshore wind alone?

[John Milligan](#), Managing Director from **BayWa r.e. EMEA**

[Lee Moscovitch](#) - Partner, **Greencoat Capital**

[Oriol Margo](#) - Sustainability Transformation Leader, **KIMBERLY-CLARK**

[Bart White](#) - Managing Director, Head of Structured Finance, **Santander**

Moderator: [Natasha Luther Jones](#) – Partner, **DLA Piper**

12:00 – 13:30

Lunch

13:30 – 13:45

Presentation

[Glenn Harris](#) - Head of Power Marketing, **Sonnedix**

13:45 – 14:30

Panel 3: Europe's race to decarbonise

- Does the strong focus on 'energy security', help or hinder the international financing of SFR projects?
- Is the prioritising capacity and capital-intensive technologies such as nuclear, offshore wind, and hydrogen the right policy?
- What innovations are arising in the Europe to build confidence in merchant and subsidy-free projects?
- Where else does the industry require support beyond generation?

[Juha Sarsama](#) – CEO, **Ilmatar**

[Glenn Harris](#) – Head of Power Marketing, **Sonnedix**

[Jordi Lopez Francesch](#) – Managing Director, Head of Asset Management, **Glennmot Partners**

Moderator: [Charlie Hodges](#), Partner, **Augusta & CO.**

14:30 – 14:45

Presentation

[Ewout Eijkelenboom](#) - International Sales Manager, **Kyos**

14:45 – 15:30

Panel 4 - PPA Evolutions and Risk Management

- Shift from a buyer-to-seller market, especially when it comes to corporate PPAs
- Considerations for how the eventual saturation of renewable capacity will impact offtake certainty in the future?
- How can PPAs evolve to accommodate more players beyond Big Tech and allow greater flexibility and review of incoming risks

[Luca Pedretti](#) – COO & CO-Founder, **Pexapark**

[Martin Scharrer](#) – Head of PPA origination, **Encavis**

[Simon Kornek](#) – Vice President South European Origination, **Statkraft**

Moderator: [Andreas Gunst](#), Partner, **DLA Piper**

15:30 - 16:00

Networking

16:00 – 16:15

Q&A

[Romane Guitard](#) - Managing Director, **Augusta & Co.**

16:15 – 17:00

Panel 5: How open-minded do we need to be to beat the energy crisis

- Money isn't cheap anymore. How are investors managing the market volatility?
- Is now the time for them, especially lenders, to be more open-minded towards merchant exposure in their portfolios?
- What demand is there for more versatile documents or risk management tools that can appease investor attitude toward subsidy-free renewables?

[Ricardo Folgado](#) – CDP - Europe, **Brookfield Renewable**

[Olivier Fricot](#) – Global Head of Investments, **Lightsource Bp**

[Neil McDermott](#) – CEO, **Low Carbon Contracts Company**

Moderator: [Rob Leeming](#), Head of news – **inspiratia**

17:00 -17.05

inspiratia closing remarks

[Omolola Coker](#) – Head of Research, **inspiratia**
